RESOLUTION NO. 02-

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF HERMOSA BEACH, CALIFORNIA, APPROVING A GREATER THAN 50% EXPANSION AND REMODEL TO AN EXISTING SINGLE-FAMILY DWELLING WHILE MAINTAINING NONCONFORMING LOT COVERAGE, AT 924 BAYVIEW DRIVE.

The Planning Commission of the City of Hermosa Beach does hereby resolve and order as follows:

Section 1. An application was filed by Susan Scott, owner of property located at 924 Bayview Drive, requesting a greater than 50% expansion and remodel to an existing nonconforming single family dwelling in order to expand and remodel, pursuant to Chapter 17.52 of the Zoning Ordinance

Section 2. The Planning Commission conducted a hearing to consider the application on October 15, and November 19 2002, at which testimony and evidence, both written and oral, were presented to and considered by the Planning Commission.

Section 3 Based on the evidence received at the public hearing, the Planning Commission makes the following factual findings:

1. The applicant is proposing a 490 square foot expansion to a single family dwelling, while maintaining non-conforming lot coverage;

Section 4. Based on the foregoing factual findings, the Planning Commission makes the following findings:

1. The nonconforming lot coverage is not unusual or severe;

2. The scale of the proposed expansion is reasonable, and is consistent with planning and zoning requirements for the R-3 zone and does not warrant requiring the nonconforming condition to be brought into conformance;

3. Approval of the expansion/remodel is consistent with the intent and goals of Chapter 17.52 of the Zoning Ordinance.

4. The project is Categorical Exempt from the requirements of the California Environmental Quality Act, pursuant to CEQA guidelines, Section 15301 e (2) with the finding that the project is in an area with available services and not in an environmentally sensitive area.

Section 5. Based on the foregoing, the Planning Commission hereby approves a greater than 50% expansion, subject to the following **Conditions of Approval:**

1. The project shall be consistent with submitted plans. Modifications to the plan which do not involve any further expansion shall be reviewed and may be approved by the Community Development Director.

2. Upon issuance of building permits the project shall proceed in compliance with the scope of work outlined on the plans and any further demolition or construction contrary to said plans will result in project delays in order for the City to review project modifications, and may require new plan submittals, certification of the structural integrity of the walls to be retained by a structural engineer, and Planning Commission review to proceed with construction work.

Section 6. Pursuant to the Code of Civil Procedures Section 1094.6, any legal challenge to the decision of the Planning Commission, after a formal appeal to the City Council, must be made within 90 days after the final decision by the City Council.
