STOP Tender Box Illegal Expansion

This petition is to stop the Tender Box's illegal expansion in Hermosa Beach. The Tender Box has violated its business permit by illegally adding 14 upstairs viewing rooms. It is only allowed 8 booths which are to be downstairs only. This second floor area is supposed to be closed off to the public as it is labeled as a residence (by city code). This is a blatant violation of codes which Tender Box has already violated. They are now asking for parking expansion AND to be able to expand the building itself within 200 feet of a residence. This type of business, by code, is not allowed within 200 feet of a residence. The residents of Hermosa Beach DO NOT want: 1.) More than the already 8 viewing booths and/or expansion to the 2nd floor 2.) More parking which would be too close to people's homes 3.) Expansion of the Tender Box building itself. Commissioner Pizer stated that "the commission should reflect what residents want" and the residents DO NOT WANT any of the above 3 actions to take place. Already, neighbors around the Tender Box have noted loud noises and activities coming from the 2nd story balcony and want it stopped. Please sign the petition to stop the illegal expansion that the Tender Box is trying to retroactively get passed by stating that "they didn't know about these codes." We, the residents of Hermosa Beach, do not want our city to become known as a center for pornography and allied businesses.
