the Hermosa Beach City Council

Regular Meeting of

<p>PROPOSITION 42: TRANSPORTATION CONGESTION IMPROVEMENT ACT – MARCH 5, 2002 STATEWIDE BALLOT</p>

Recommendation:

That the City Council consider taking a position supporting the passage of Proposition 42.

Background:

Proposition 42 will allocate a portion of the existing sales tax on gasoline for use on local streets for maintenance and improvements. Twenty percent of the total received will be allocated to cities and another twenty percent will be provided to counties for the same purpose. This will be an ongoing source of funds for the City should Proposition 42 be approved by the voters.

I have attached an information packet from “Yes on Proposition 42” for your review.

Respectfully submitted,

Stephen R. Burrell
City Manager
