**Recommendation:**

That the City Council:

1. Authorize the purchase of one new natural gas 2003 Ford F-150 pickup truck from Wondries Fleet Division of Alhambra, California in the amount of \$17,996.57.

**Background:**

A total of \$18,000 was allocated in the current budget for replacement of a 1993 Ford Taurus.

**Analysis:**

Specifications were developed for the proposed purchase from previously purchased trucks for the Public Works and Community Development Departments in 2000. A copy of the truck specification is attached to the report.

The vehicle can be purchased through the County of Los Angeles Purchase Contract and will be funded entirely with AB 2766 air quality funds.
