LITTLE LEAGUE BATTING CAGE ENHANCEMENT – CLARK FIELD

Recommendation:

That the City Council approve the Little League Batting Cage Enhancement as recommended by the Parks, Recreation and Community Resources Advisory Commission.

Background:

The Hermosa Beach Little League has secured a donation of all materials and labor to accomplish this project. Staff has met with the Little League representative on site and also recommends approval of the project. A drawing of the expanded area is attached.

Renovation of the batting cages for the 2003 season will help to improve and assist in scheduling team practice by allowing one practice a week to be assigned to each team for batting practice.

Respectfully submitted,

Stephen R. Burrell
City Manager
