LITTLE LEAGUE OPENING DAY: FIREWORK APPROVAL

Recommendation

Staff recommends that pending Fire Department review and supervision, Council approve the request from Hermosa Beach Little League to do a minor firework during Opening Day, March 1, 2002.

Background

Every year, Little League holds an Opening Day celebration to kick off the new season. This year, the Board has requested permission to add a modest firework to the event.

Municipal Code 15.20.120 prohibits the use of fireworks in the City except with permission from both the Fire Department and City Council.

Analysis

The proposed firework will not make noise and as such will not disrupt the adjacent neighborhood.

The Fire Department will review and supervise the firework activity that is certain to add to the excitement of Opening Day in Hermosa Beach.
