

February 27, 2003

Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
March 11, 2003

**PROPOSED INSTALLATION OF SPEED HUMPS ON HILLCREST
DRIVE BETWEEN 18TH STREET AND 21ST STREET**

Recommendation:

It is recommended that the City Council consider the results of the survey and provide direction to staff.

Background

On May 14, 2002, Council directed staff to add the installation of speed humps on Hillcrest Drive to the scope of work for Project No. CIP 01-159 Street Improvements – Hillcrest & Rhodes between 21st St. and 18th St.; 18th St. from PCH to Prospect Ave.

Subsequently, Council directed staff to survey the residents whose properties are designated as receiving a speed hump in front of their properties and to obtain their written approvals.

Below is a summary of the results of the survey.

PROPOSED SPEED HUMP LOCATION	RESIDENT APPROVAL
<u>Speed Hump No. 1</u> 2028 Hillcrest Dr. 2026 Hillcrest Dr. 2025 Hillcrest Dr. 2021 Hillcrest Dr.	Yes Negative Contact – Did not sign form. Abstain No
<u>Speed Hump No. 2</u> 1910 Hillcrest Dr. 1911 Hillcrest Dr.	Yes Yes (Resident mailing signed form.)
<u>Speed Hump No. 3</u> 1836 Hillcrest Dr. 1831 Hillcrest Dr.	Yes No

Staff is of the opinion that Speed Hump No. 1 can be omitted without affecting the overall speed reducing effect of the remaining humps. Copies of the signed survey forms are attached.

Attachments.

Respectfully submitted,

Stephen R. Burrell
City Manager
