Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
May 13, 2003

**LETTER OF SUPPORT FOR THE SEAWATER BARRIER WATER
CONSERVATION PROJECT – WEST BASIN MUNICIPAL WATER DISTRICT**

Recommendation:

That the City Council authorize a letter of support for the project.

Background:

A letter is attached from the General Manager of the West Basin Municipal Water District requesting a letter of support for the project. The project would increase the amount of recycled water used to prevent seawater intrusion of the aquifer. The project cost is \$16,000,000 and is from the Department of Water Resources Proposition 13 Grant Fund to upgrade the existing facilities to reduce use of imported fresh water.

Respectfully submitted,

Stephen R. Burrell
City Manager
