Honorable Mayor and Members of
The Hermosa Beach City Council

Regular Meeting of
June 11, 2002

**PUBLIC HEARING - HERMOSA BEACH LANDSCAPING
AND STREET LIGHTING DISTRICT 2002-2003**

Recommendation:

It is recommended that the City Council:

1. Conduct a Public Hearing in connection with the levy of assessments for fiscal year 2002-2003; and
2. Adopt the attached Resolution confirming the diagram and assessment for Hermosa Beach Landscaping & Street Lighting District 2002-2003 ("District") and levying an assessment for the fiscal year commencing July 1, 2002 and ending June 30, 2003.

Background:

As required by law, the following steps have been taken for the levy and collection of assessments for fiscal year 2002-2003 within the District:

1. February 26, 2002: The City Council adopted Resolution No. 02-6189 ordering the preparation of a report for the District.
2. May 2, 2001: The Director of Public Works filed with the City Clerk the report consisting of, among other things, the assessment diagram and assessment roll for the District.
3. May 14, 2002: The City Council adopted Resolution No. 02-6195 approving the report of the Director of Public Works.
4. May 14, 2002: The City Council adopted Resolution No. 02-6196 setting June 11, 2002 at 7:30 p.m. as the date and time for a public hearing in order to accept public input on the District.
5. May 30, 2002: Notice of the Public Hearing was given by publishing Resolution No. 02-6196 in the Easy Reader.

Analysis:

The District assessment funds the cost of maintaining and operating street lights, traffic signals and landscaping located within parkways or medians. The proposed assessment rate for fiscal year 2002-2003 is \$41.45 per equivalent dwelling unit, the same equivalent dwelling unit rate as used in fiscal year 2001-2002 to finance those improvements. The assessment is based on the actual number of dwelling units that are on a property (or their equivalent for vacant and commercial properties).

The fiscal year 2002-2003 assessments will provide sufficient funds (\$452,012) to continue the operation and maintenance of the City's street lighting system and landscaping in and along the City's streets and sidewalks for one year. Adoption of the attached resolution constitutes the levy of an assessment for the 2002-2003 fiscal year.

Alternatives:

1. Approve Staff's recommendation.
2. Let the District lapse; thereby causing a potential increase in General Fund obligations of \$452,012.
3. Levy an assessment at less than the proposed amount, thereby causing an increased General Fund obligation.

Respectfully submitted,

SECTION 6. The City Council hereby orders the proposed improvements to be made as described in the Engineer's Report, which improvements are briefly described as follows: the maintenance and operation of streets and sidewalks within the assessment District, including the operation, maintenance and servicing of landscaping, lighting and appurtenant facilities located in and along such streets and sidewalks.
