<p>STOP SIGNS ON ARDMORE AT 16TH STREET TO CREATE A 3-WAY STOP, INSTEAD OF TRAFFIC AND PEDESTRIAN ACTIVATED LIGHT SIGNAL</p>
--

Recommendation:

That the City Council approve the installation of a 3-way stop at Ardmore at 16th Street and adopt the attached resolution.

Background:

The City Council, at its meeting of December 11, 2001, approved placement of a traffic and pedestrian activated light signal at the intersection. The project was not funded in the 2002-03 fiscal year budget and the recent approval of the 24 Hour Fitness Center in the Pavilion building will have an impact on the traffic warrants at this intersection.

The request originally came to the Public Works Commission and the City Council as a concern for increasing safety at this school route crossing. Copies of prior actions are attached.

Respectfully submitted,

Stephen R. Burrell
City Manager
