Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
July 23, 2002

REVIEW OF CONSTRUCTION HOURS

Recommendation:

That the City Council review the construction hours contained in Section 8.24.050 and provide direction to staff make any changes.

Background:

The City Council at the July 9, 2002 meeting received a letter from a resident requesting that the permissible hours of construction be more limited and directed that this item be placed on an agenda for discussion. A copy of the letter from Phyllis Halpin-Miller is attached. In addition, a copy of the city's current regulations is attached along with those of Manhattan Beach and Redondo Beach.

If the City Council is interested in making a change to the regulations, staff should be directed to return with a draft ordinance for your review.

Respectfully submitted,

Stephen R. Burrell
City Manager
