**AB1163 (CALDERON) – SPECIAL LEGISLATION REGARDING WATER
REPLENISHMENT DISTRICT OF SOUTHERN CALIFORNIA**

Recommendation:

That the City Council consider taking a support position for AB1163.

Background:

This bill will direct that the Water Replenishment District follow a process that would include the public in the development and approval of the capital improvement budget for the district. In addition, the bill includes a formula for determining the amount of replenishment water the district may purchase each year. A copy of the bill and the request from the West Basin Water Association is attached.

Respectfully submitted,

Stephen R. Burrell
City Manager
