

August 28, 2002

Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
September 10, 2002

PROJECT NO. CIP 01-159 STREET IMPROVEMENTS – HILLCREST DRIVE & RHODES AVENUE FROM 18th ST. TO 21ST STREET - APPROVE PLANS, SPECIFICATIONS, AND ADVERTISING FOR BIDS

Recommendation:

It is recommended that City Council:

1. Approve the plans, specifications, estimates, order the work and call for bids; and
2. Instruct the City Clerk to post Notice Inviting Sealed Bids for said project.

Summary:

Project No. CIP 01-159 Hillcrest Drive Street Improvements – Hillcrest Drive and Rhodes Street from 18th Street to 21st Street and 18th Street from Prospect Avenue to Pacific Coast Highway is approved for Fiscal Year 2002-03. Staff requests that City Council approve the plans, specifications and advertising for bids.

The plans, specifications and estimates for this project have been approved by the Director of Public Works and are available in the Department of Public Works for review.

Background:

In July 2001, City Council approved the Professional Services Agreement between the City and DMR Team for engineering and design services on an as-needed basis.

In January, March and May 2002, the design issues and scope of work were reviewed by Public Works Commission and the residents. From these three meetings, the Commission, after evaluating the residents' comments and input, recommended the scope of work to Staff.

The proposed work consists of overlaying the existing concrete pavement with asphalt concrete and installing a speed hump on Hillcrest Drive as requested by the residents. The existing drainage problems on Hillcrest Drive and Rhodes Street will be mitigated with installation of catch basins, storm drain lines and a manhole. Additional work includes traffic markings, adjustment of utility boxes, installation of asphalt rolled-curb and concrete cross gutter.

The engineer's estimate is approximately \$325,000 and the duration of construction is 60 working days.

Fiscal Impact:

No fiscal impact at this time.
