Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
September 24, 2002

**LETTER FROM CALTRANS REGARDING THE TRAFFIC SIGNAL AT
LONGFELLOW AVENUE AND SEPULVEDA BOULEVARD**

Recommendation:

Determine whether or not the City Council wishes to initiate a discussion with the City of Manhattan Beach over the possible relocation of the Longfellow Avenue traffic signal to Duncan Street.

Background:

Staff forwarded the concerns about the traffic signal at Longfellow Avenue and Sepulveda Boulevard to Caltrans. A copy of the report was forwarded to you earlier and is attached. Caltrans would agree to the relocation of the traffic signal to Duncan. In order to do this, they would require a resolution from both Hermosa Beach and Manhattan Beach. The cost for this work would have to be paid by the local agencies.

Respectfully submitted,

Stephen R. Burrell
City Manager
