Regular Meeting of

NEWSRACK ORDINANCE UPDATE

Recommendation:

Receive and file.

Background:

Staff was directed, at the October 8, 2002 meeting, to provide an update on the Newsrack Ordinance.

The Newsrack Ordinance draft has been completed by the City Attorney and circulated for review by staff and the Public Works Commission sub-committee members. The next step is to invite the various newspapers and other publication owners and distributors to go over the ordinance and the process for implementing it. Once this has been done, the ordinance will be placed on your agenda for adoption. It is expected that we will be able to bring this to the City Council either the second meeting in November or the December meeting.

Respectfully submitted,

Stephen R. Burrell
City Manager
