

October 30, 2002

Honorable Mayor and Members of
The Hermosa Beach City Council

Regular Meeting of
November 12, 2002

**AWARD CONTRACT FOR RESURFACING TWO BASKETBALL
COURTS AT CLARK STADIUM**

Recommendation:

It is recommended that the City Council:

1. Award the bid to resurface two basketball courts at Clark Stadium to the lowest responsible bidder, California Surfacing of Claremont, California, in the amount of \$7,295.00; and
2. Authorize the Director of Public Works to make minor changes as necessary.

Background:

Specifications were prepared and requests for bid notices were sent to four (4) interested and qualified companies. In addition, this project was advertised in the Easy Reader and McGraw Hill Construction/Dodge (The Green Sheet) publications. On Thursday, October 10, 2002, a non-mandatory pre-bid meeting and site inspection were held. On Thursday, October 17, 2002, the City Clerk received four bids. The bids were publicly opened and read aloud. The bid results are as follows:

	<u>Firm Name</u>	<u>City</u>	<u>Bid Amounts</u>	
			<u>Option 1</u>	<u>Option 2</u>
*1.	Taylor Tennis Courts	Rancho Santa Margarita	\$ 4,971.00	N/A
2.	California Surfacing	Claremont	\$ 7,295.00	\$ 8,195.00
3.	Malibu Pacific Tennis Courts	Westlake Village	\$11,800.00	\$13,500.00
4.	Great American Backyard Co.	Culver City	\$ 8,590.00	\$ 9,880.00
*5.	Great American Backyard Co.	Culver City	\$ 7,790.00	\$ 8,870.00

* Denotes bid using alternative material

Analysis:

The basketball courts were re-surfaced approximately three years ago. The current condition of the basketball courts indicates the product used was not durable enough for the type of use these courts endure. The specifications listed Vynasil as the desired surface material. Two of the bids received included the original surfacing material rather than the Vynasil as specified. Vynasil has proven to be the better product at the roller hockey rink. The lowest responsible bidder for the specified surface product is California Surfacing of Claremont, California.

Fiscal Impact:

Funding for this project is available in account number 125-6101-4201.

Alternatives:

1. Approve Staff recommendation.
2. Send back to staff with instructions to rescope the specifications and send out new requests for bids.
3. Reject all bids.

Respectfully submitted,

Concur:

Michael Flaherty
Public Works Superintendent

Harold C. Williams
Director of Public Works/City Engineer

Noted For Fiscal Impact:

Viki Copeland
Director of Finance

Stephen R. Burrell
City Manager
