City Council Meeting  
November 27, 2001

Mayor and Members  
of the City Council

## **CITY COUNCIL COMMITTEE ASSIGNMENTS - NOVEMBER 2001**

### **Recommendation:**

It is recommended that the City Council appoint delegates and alternates to the various committees (see attached updated list), consistent with the policy of maintaining permanent representation whenever possible, and delete any obsolete temporary subcommittees as appropriate.

### **Background:**

At its meeting of November 13, 2001, the City Council acted to appoint the following:

- Mayor (term ending Tuesday, September 10, 2002): Kathy Dunbabin
- Mayor Pro Tempore (same term as Mayor): Sam Edgerton
- L.A. County City Selection Committee Delegate: Mayor Dunbabin
- South Bay Cities Sanitation District Delegate: Mayor Dunbabin  
Alternate: Mayor Pro Tem Edgerton
- Inglewood Fire Training Authority Delegate: Mayor Dunbabin  
Alternate: Mayor Pro Tem Edgerton

The appointment of delegates and alternates for the remainder of the Council committee assignments was postponed to this meeting, to take place after the newly elected Council members have been seated. The January 2001 committee-assignment list (attached) has been updated to include the changes made at the last meeting. Council members are requested to contact Mayor Dunbabin prior to the November 27 meeting concerning any preferences with regard to committee assignments.

Please note that the appointed delegate and alternate should be the same for both the South Bay Cities Council of Governments and the LAX Committee (formerly the South Bay Corridor Study Steering Committee) since their meetings occur back-to-back on the same day and at the same location.

Also, two of the committees require resolutions for the appointments of delegates and alternates. Mayor Dunbabin is the current delegate and Finance Director Viki Copeland the current alternate for the Independent Cities Lease Finance Authority (ICLFA). Mayor Pro Tempore Edgerton is the current delegate for the Independent Cities Risk Management Association (ICRMA); Personnel/Risk Management Director Michael Earl is the designated alternate, and Finance Director Viki Copeland and

is the substitute alternate representative who would serve in the absence of the appointed delegate and alternate. If assignment changes are made this evening with regard to either of those committees, an appropriate resolution will be placed on the consent calendar of the December 11 agenda for Council adoption.

Following the assignments of delegates and alternates, letters will be sent to the appropriate boards and committees, and the list of newly appointed delegates and alternates will be forwarded to Council.
