Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
August 12, 2003

SET A PUBLIC HEARING ON THE USE OF PROPOSITION A FUNDS INCLUDING THE WAVE PROGRAM; COMMUTER EXPRESS BUS; BUS PASS SUBSIDY PROGRAM; RECREATION RELATED TRANSPORTATION AND TAXI VOUCHERS FOR TUESDAY, SEPTEMBER 9, 2003.

Recommendation:

That the City Council set a public hearing to receive input on the several programs offered under the Proposition A Funds that the City receives from the MTA.

Background:

The City Council considered a proposal from the City of Redondo Beach to extend the current joint contract for the WAVE Program in June. The proposal was for an 18-month extension of the existing program while service options that may be available were evaluated and considered. The outcome of this discussion was a decision by the City Council to continue the present contract with Redondo Beach and the present service provider on a month to month basis while the City of Hermosa Beach reviewed each of the programs offered and whether or not any changes would be made to the programs and the use of the Proposition A funds. Staff is in the process of reviewing the several programs and the options that the City Council may wish to consider for the use of the Proposition A funds. This information will be presented as part of the packet at the public hearing.

Respectfully submitted,

Stephen R. Burrell
City Manager
