

August 4, 2003

**Honorable Mayor and Members  
of the Hermosa Beach City Council**

**Regular Meeting  
August 12, 2003**

SUBJECT: CONGESTION MANAGEMENT PROGRAM (CMP)

PURPOSE: Adopt resolution certifying compliance with the Congestion Management Program (CMP), pursuant to California Government Code Section 65089

**Recommendation:**

Adopt the attached Resolution certifying compliance with Congestion Management Program.

**Background:**

Proposition 111 requires that each city adopt and implement a Transportation Demand Management Plan. As a result, cities must provide annual documentation that they are in compliance with the State mandated CMP program which provides a link between development, transportation and air quality through trip reduction and transportation measures.

**Analysis:**

Using the mathematical formulas provided by the Metropolitan Transportation Authority, staff has prepared the attached Local Implementation Report (LIR), which indicates that the City is in compliance with State requirements. After subtracting “debits” resulting from development in fiscal year 02-03, a total of 8,421 “credits” remain. Thus, at this time no transportation or traffic improvement measures are required under the Congestion Management Program.

Whereas, the City Council held a public hearing on August 12, 2003 to consider oral and written testimony and made the following factual Findings:

1. The Los Angeles County Metropolitan Transportation Authority (MTA), acting as the Congestion Management Program Agency for Los Angeles County adopted the Congestion Management Program in 2002.

NOW, THEREFORE THE CITY OF HERMOSA BEACH CITY COUNCIL DOES HEREBY RESOLVE THE FOLLOWING:

SECTION 1. The City has taken all of the actions listed below and is in conformance with all applicable requirements of the 2002 CMP as amended:
