

October 23, 2003

Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
October 28, 2003

**ASSESSMENT DISTRICT ADVANCE PAYMENT FOR DESIGN OF
TELEPHONE SYSTEM IN THE AMOUNT OF \$8,000 FOR THE PROPOSED
DISTRICT "BAYVIEW DRIVE FROM PIER AVENUE TO 10TH STREET"**

Recommendation:

That the City Council authorize an advance payment of \$8,000 to Verizon and authorize the City Manager to execute the work order and appropriate \$8,000 from the Capital Improvement Fund.

Background:

This charge is required for Verizon to complete the substructure design work. These funds would be advanced to the proposed assessment district and paid back once the district proceeds.

The drawings have been completed and the estimates, along with SCE estimates, will be provided to the property owners as soon as the cable TV design is completed.

Respectfully submitted,

Stephen R. Burrell
City Manager
