Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
May 11, 2004

**PRESENTATION OF BEACH CITIES TRANSIT PLAN DEVELOPED BY
REDONDO BEACH**

Recommendation:

That the City Council receive the presentation and provide direction to staff on how to proceed.

Background:

The attached report prepared by Mobility Advancement Group details the proposed system that would serve the beach cities. The Beach Cities Transit Plan was approved conceptually by the Redondo Beach City Council at its meeting of May 4, 2004 and they directed their staff to return with a detailed implementation plan by August 16, 2004 (a copy of the Redondo Beach staff report is also attached).

As you will recall, this issue has been before you several times during the last year. We are presently operating on a month to month arrangement with the WAVE Program Partnership with Redondo Beach. The proposal contained in the presentation would continue that arrangement until the implementation plan is completed in August and probably for some additional time to actually get a new program running.

Manhattan Beach will be considering the same proposal in June.

I have attached the recent memos and minutes on this issue for your reference in considering this issue.

Respectfully submitted,

Stephen R. Burrell
City Manager
