DOWNTOWN RESIDENTS MEETING WEDNESDAY, AUGUST 4, 2004

Recommendation:

Receive and file.

Background:

A meeting with staff and downtown businesses was held prior to the beginning of the summer and, during that meeting which was attended by several residents, it was suggested that a second meeting be held that was noticed on a wider basis to provide an opportunity for more residents to attend and provide their observations and suggestions. This second meeting has been tentatively set for Wednesday August 4, 2004 beginning at 7:00pm in the Council Chambers. As was done at the first meeting, representatives of City Departments will be attending to hear the ideas and answer questions. A notice will be posted on the City's web site and a press release distributed. The purpose of the meeting is to hear any concerns, ideas, and solutions and develop a report to present to the City Council in the future.

Respectfully submitted,

Stephen R. Burrell
City Manager
