Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
February 8, 2005

**APPROVAL OF GENERAL SERVICES AGREEMENT BETWEEN THE CITY
AND THE COUNTY OF LOS ANGELES**

Recommendation:

It is recommended that the City Council adopt a resolution authorizing the Mayor to execute the attached General Services Agreement between the City of Hermosa Beach and the County of Los Angeles for services as individually requested to run from July 1, 2005 through June 30, 2010.

Background:

The County of Los Angeles offers many services to public agencies within its jurisdiction. Many of the minor services provided are incorporated under an "umbrella" general services agreement. This agreement provides for ease of administration in requesting a particular service from the County, as it eliminates the need for individual agreements each time a service is requested.

Analysis:

The current five year agreement expires on June 30, 2005 and has identical language to that proposed for the recommended agreement. Types of services covered under the agreement are City prosecution services, personnel testing services, and auditor-controller assessment services. Approval of tract maps by the County Engineer and animal pound services provided by the County are provided under separate documents.

Respectfully submitted,

Stephen R. Burrell
City Manager
