

April 7, 2005

**Honorable Mayor and Members of
the Hermosa Beach City Council**

**Regular Meeting of
April 12, 2005**

SENATE BILL 926 (FLOREZ)

Recommendation:

That the City Council consider taking a position opposing SB926 (Florez) and direct City Manager to track the bill through the legislative process.

Background:

The County Sanitation Districts of Los Angeles County have requested that the City Council take a position of opposition to SB926. This bill would prohibit a local public agency from exporting biosolids processed by the agency to any other county.

As you may know, the Sanitation Districts presently export processed biosolids to other facilities outside of Los Angeles County. This existing program is a beneficial use of the biosolid and would be adversely affected by this bill. A copy of the letter and bill is attached.

Respectfully submitted,

Stephen R. Burrell
City Manager
