

**April 7, 2005**

**Honorable Mayor and Members of  
the Hermosa Beach City Council**

**Regular Meeting of  
April 12, 2005**

**INFORMATION ITEM – AREA CODE SPLIT**

**Recommendation:**

That the City Council consider receive this as an information item.

**Background:**

The City Council, along with all of the other South Bay cities, has opposed the split of the area code. As you know, this has been going on for a number of years. The latest effort to make sure all of the numbers are used before consideration is given to split the area code is AB1380 (Gordon).

A copy of the letter sent in support of this bill for the hearing on April 11, 2005 is attached.

There will be a hearing on Tuesday, April 26, 2005 at 10:00am in El Segundo. This is a time for local government officials to testify. There are more detail in the attached information.

Respectfully submitted,

Stephen R. Burrell  
City Manager
