MOVIE IN THE PARK

Recommendation

The Parks, Recreation and Community Resources Advisory Commission recommended approval for a Movie in the Park, hosted by the Friends of Parks, at the April 5, 2005 Commission meeting.

Background

The Department of Community Resources received a letter of request from Carleen Beste, Board Member of Friends of Parks (F.O.P.) to host a family orientated Movie "Shark Tales" in the Park at Valley Park, Saturday, August 27, 2005. DreamWorks, movie distributor, has approved public viewing of this movie in Hermosa Beach to be utilized as a fundraiser for F.O.P. There will not be an admission charge; however, the group will be accepting donations on-site.

Date of request does not conflict with existing calendar of events.

Staff recommends resident notification to homes within close park proximity and separate request to School District for utilization of adjacent parking lot at 26th. Friends of Parks is amenable to both of these requests.
