**Recommendation**

The Parks, Recreation and Community Resources Advisory Commission recommended approval of request for committee formation "Centennial Celebration Committee" at the April 5, 2005 Commission meeting.

**Background**

The Department of Community Resources received a letter of request from residents Maureen Ferguson and Laura Raymond seeking Commission recommendation to Council for approval of committee formation.

The group has attached an outline of program and sponsorship ideas. The committee is seeking Council directive before proceeding further. Their intent is to return to Council at a later date with a solidified program proposal that incorporates this direction.
