CENTENNIAL CELEBRATION COMMITTEE

Recommendation:

That the City Council receive and file this report as an informational item.

Background:

The Centennial Celebration was discussed at the April 12, 2005 City Council meeting. Since that meeting, I have formed a Centennial Celebration Committee, and assigned various staff members to support to the committee. The Committee is composed of various members of the community, City board and commission members, Chamber of Commerce representative, as well as various service clubs. The Centennial Committee has set its meeting to be the second Wednesday of the month beginning at 5:15 pm in Room 4 in the Community Center. The meetings are open to the public and they are encourage to attend and get involved in the 100 year celebration effort. Staff will forward meeting notes from the Committee following its meetings.

Respectfully submitted,
