

June 7, 2005

Honorable Mayor and Members of
The Hermosa Beach City Council

Regular meeting of
June 14, 2005

**AWARD BID FOR FIRE STATION
RESTROOM RENOVATION PROJECT**

RECOMMENDATION

Staff recommends that council:

1. Award the bid to renovate the fire station crews restrooms per fire department specifications to Ken Leal Plumbing in the amount of \$5,681.00

BACKGROUND

The fire station crew restroom plumbing hardware is 20 years old and needs renovation. Specific renovation involves the removal and replacement of toilets, sinks, drains, faucets, supply lines, and toilet partition walls. This project was identified as a line item in the CIP 99-610 Fire Station Renovation budget. The fire department went out for formal closed bid and the only bid received was from Ken Leal Plumbing who submitted a bid of \$ 5,681.00. The fire department requests council to award the project to Ken Leal Plumbing, 10821 Markev Street, Anaheim, Ca.

FISCAL IMPACT

The funds specified for this project were utilized for the unanticipated additional costs incurred for the fire station shower renovation project. The funds required for this project have been appropriated from account #180-8610-4201 for the fiscal year 2004/2005, under "station 2nd story sub floor replacement", as that project is now anticipated to be less extensive. The total cost is \$5,681.00

Respectfully submitted,

Russell Tingley
Fire Chief

Concur:

Stephen Burrell
City Manager

Noted for Fiscal Impact:

Viki Copeland
Finance Director
