APPROVE PURCHASE OF FIRE STATION MATTRESSES AND BED FRAME

RECOMMENDATION

Staff recommends that council:

1. Authorize the purchase of ten mattresses and one bunk bed frame in the amount of \$7,141.53.

BACKGROUND

The fire station bed mattresses (10) and Reserve Firefighter bunk bed frame (1) are in need of replacement. The current mattresses are 20 years old. The Reserve Firefighter bunk bed frame was a used donation put into service 10 years ago. The fire department put out a formal sealed bid request but received no bids from any vendor.

The fire department pursued three separate quotes from local vendors and Mattress Gallery, 5366 W. Rosecrans, Hawthorne, Ca. presented the lowest quote of \$7,141.53. The fire department requests council to approve the purchase of the mattresses and bunk bed from Mattress Gallery.

FISCAL IMPACT

The funds required for the fire station mattresses and bunk bed, have been appropriated in account #180-8610-4201 for the fiscal year 2004/2005, "replace/renovate Captains dorm beds", \$5,000.00, and \$2,141.53 taken from "station 2nd story sub floor replacement" funding, as that project is now anticipated to be less extensive. The total cost is \$7,141.53.
