

April 4, 2006

Honorable Mayor and Members of
The Hermosa Beach City Council

Regular Meeting of
April 11, 2006

**AWARD PAINTING OF STREETLIGHT POLES
AT VARIOUS LOCATIONS ON HERMOSA AVENUE**

Recommendation:

It is recommended that the City Council:

1. Award the contract to paint streetlight poles on Hermosa Ave. at various locations to Everlast Painting Co. of San Pedro in the original bid amount of \$6,600;
2. Authorize addition of protective coating to streetlight poles at an additional cost of 4,500;
3. Authorize issuance of the appropriate purchasing documents; and
4. Authorize the Director of Public Works to make changes to the agreement up to \$900.

Summary:

Specifications were prepared and requests for bid notices were sent to four (4) interested and qualified companies. In addition, this project was advertised in the Easy Reader. On Monday, January 30, 2006, a mandatory pre-bid meeting and site inspection were held. On Thursday, February 9, 2006, the City Clerk received four bids which were publicly opened and read aloud. The bid results were as follows:

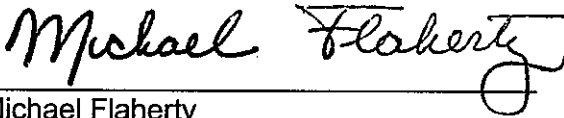

COMPANY	CITY	AMOUNT
A.J. Fistes Corp.	Signal Hill	10,556.00
KM Industrial	Long Beach	24,375.00
Lightpole Restoration Specialist, Inc.	Simi Valley	16,900.00
Everlast Painting Co.	San Pedro	6,600.00

It was determined that since the lowest responsible bidder's proposal was well within the amount budgeted for this project, an second coat of urethane, at a cost of \$4,500, which would extend the life of the painted poles and at the same time protecting the new look, could be added.

Fiscal Impact:

This is a budgeted item in the FY 05-06 budget in the amount of \$12,000 under Lighting and Landscaping (105-2601-4201).

Respectfully submitted,

Michael Flaherty
Public Works Superintendent
