RE: Historical Museum Expansion Funding Request

Dear Mr. Burrell,

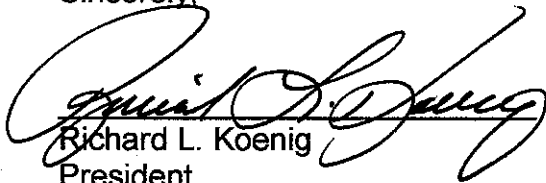

The Hermosa Beach Historical Society is and has been actively raising funds for our museum expansion project. We respectfully submit that you forward our request for funding in the amount of \$20,000.00 for consideration and hopefully inclusion in the upcoming City budget. The funds will be considered a matching fund and used for our museum expansion dead lined for completion by The Hermosa Beach Centennial Celebration January 14, 2007.

I have attached our expansion budget for added consideration.

We would also appreciate permission to use the Official Seal of the Hermosa Centennial for our promotional purposes.

Our museum is a wonderful asset for our City and we wish to thank you in advance for your assistance with our request.

Sincerely,

  
Richard L. Koenig  
President  
Hermosa Beach Historical Society
