

June 22, 2006

City Council Meeting
June 27, 2006

Mayor and Members
of the City Council

**VACANCIES - BOARDS AND COMMISSIONS – UNEXPIRED TERM -
PUBLIC WORKS COMMISSION – SCHEDULE INTERVIEWS**

Recommendation:

It is recommended that the City Council schedule a meeting at a time certain prior to the regular meeting of Tuesday, July 11, 2006 for the purpose of interviewing applicants (for the unexpired term ending October 31, 2008) with appointment to be made that evening at the regular meeting.

Background:

An unscheduled vacancy arose on the Public Works Commission in May for a term ending October 31, 2008. At its meeting of May 23, the City Council directed the City Clerk to advertise the unscheduled vacancy with newspaper publications and normal posting procedures, with interviews and appointment to take place July 11. A special vacancy notice was posted at City Hall, the Library and in the Clerk's office on May 24, and was published in the Easy Reader on June 1 and 8, with a June 21 deadline for submitting applications.

Three applications (see attached) have been received. The applicants are:

Janice Brittain
Julian Katz
Brian C. Koch

Elaine Doerfling, City Clerk

Noted:

Stephen E. Burrell, City Manager

PUBLIC WORKS

COMMISSION

APPLICANTS

Do you have any current obligations or responsibilities, which could be construed as a conflict of interest with your being a board/commission member? Yes **X** No (If yes, please explain)

Please give a resume of your education, employment, membership, past activities and other experience that you fee would qualify you as a Board Commission member.

See attachment

This Board Commission meets on **Third Wednesday** of every month at **7:00** p.m. Do you foresee any scheduling problems that might make you miss meetings? Yes **X** No

How long have you lived in Hemostat Beach? **16 years**

Comments:

COMMUNITY PARTICIPATION AND SERVICE (past and present):

For 2-1/2 years, from late 2000 until February 2003, I previously served on the Public Works Commission. For the first year, I was the Chair of the Commission. I believe our inaugural several years of the PWC was successful and provided valuable input to the City Council. I personally had excellent attendance at Commission meetings, missing very few meetings.

Why do you wish to become a Commission member?

I first moved to Hermosa Beach almost 15 years ago and have enjoyed the city spirit and culture; serving on a Commission again would provide me the opportunity to help improve the community. As a licensed engineer, my technical and professional expertise fits well within this Board. I believe I have provided valuable contributions into the decision making process for Public Works construction and procedures in the past, and would do so in the future.

What do you feel are the duties and responsibilities of a Commission member?

As the announcement states: the duties of this Commission are to review and make recommendations to the City Council on all capital improvement projects, assist in the development and updating of design guidelines for public improvements and other matters referred to the Commission by the City Council. I feel that the duties are to listen to public and staff input, evaluate projects/programs, and act in a responsible manner to make decisions. I can specifically provide input of a technical nature, regarding both specific project details, design options, and code requirements, as well as input into the contracting process. Engineering

expertise is valuable to review alternate proposals and make informed recommendations to the city Council. Public projects need to balance community needs, technical opportunities, and economic considerations.

Do you have any current obligations or responsibilities, which could be construed as a conflict of interest with your being a board/commission member? ___ Yes X No (If yes, please explain)

Please give a resume of your education, employment, memberships, past activities and other experience that you feel would qualify you as a Board/Commission member.

Attached is a Resume. As an engineer in a local municipal department, I have extensive experience in Public Works construction projects, including building projects, site improvements/roadways, and utility work. I deal with both in-house designers and contractor design firms, working on permitting, specifications, design documents/drawings, and contract administration.

I also had a previous opportunity to serve on another public board, as an elected member of the LADWP Retirement Board, which provided experience in the workings of a publicly noticed oversight group.

This Board/Commission meets on the third Wednesday of the month at 7 p.m. Do you foresee any scheduling problems that might make you miss meetings? ___ Yes X No

How long have you lived in Hermosa Beach? Over 10 years

Comments:

My technical and professional experience and long term involvement in Hermosa Beach provides a solid base to serve on the Public Works Commission. I enjoyed my past years on the PWC, and serving again would be a great way to give back to our community. This commission allows me to use my engineering expertise and working knowledge of public works projects to provide support to our elected officials.

Signed: 

Date: 6/20/06

Please return completed application to the City Clerk's Office
1315 Valley Drive, Hermosa Beach, CA 90254
