

# City of Hermosa Beach

## AGENDA SUPPLEMENT

Date: August 3, 2006  
To: City Council  
From: Rick Morgan, Public Works Director   
Subject: Award of Contract for Clark Field Improvements

Bids were opened for this project at 2:00 pm on Thursday, August 03, 2006. Bids received are as follows:

Tru Green Lawn Care	\$224,737.00
CS Legacy Construction, Inc.	\$231,604.00
Belaire – West Landscape, Inc.	\$244,250.00
Ryco Construction, Inc.	\$431,134.00

The lowest bidder, Tru Green Lawn Care, is also our current Landscape Maintenance contractor. Public Works has been very satisfied with their services and therefore recommends award of this contract to them. The contract amount is far lower than the budgeted amount of \$422,413.

August 1, 2006

Honorable Mayor and Members of  
The Hermosa Beach City Council

Regular Meeting of  
August 8, 2006

**CIP PROJECT NO. 04-535 CLARK FIELD IMPROVEMENTS  
AWARD CONSTRUCTION CONTRACT**

**Recommendation:**

It is recommended that the City Council:

1. Authorize the award of construction contract for CIP Project No. 04-535 Clark Field Improvements to the lowest responsive bidder, in the amount of the lowest responsive bid;
2. Authorize the Mayor to execute and the City Clerk to attest the Contract subject to approval of the City Attorney;
3. Authorize the Director of Public Works to issue change orders as necessary within the approved budget.

**Background:**

On July 13, 2006, Public Works staff advertised for bids in accordance with public contract requirements. The City Clerk will receive bids by the closing date of August 3, 2006, which will be publicly opened and read aloud. The results will be detailed in the supplemental information to be provided.

The proposed work includes improvements to the playing fields at Clark Field as follows:

- Clear and grub.
- Modifications to brick dust (infield) lines at the baseball/softball fields.
- Installation of a new irrigation system for the entire field.
- Fine grading and soil preparation.
- Installation of new sod at all areas except infields.
- Installation of a new backstop on the south field.

The proposed work does not include installation of new lighting which will be proposed as a separate project next year.

**Analysis:**

Staff will review the low bidder's documents and reference calls will be made. The Department of Public Works will recommend award of this contract to the lowest responsive bidder.

**Fiscal Impact:**

Total available funding for this project is \$393,713. Staff anticipates that the total cost of this work will be less than that amount.

Respectfully submitted,
