Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
September 12, 2006

AWARD PURCHASE OF SKID LOADER

Recommendation:

It is recommended that the City Council:

1. Award purchase of one (1) new John Deere 320 Skid Steer Loader from Coastline Equipment of Long Beach in the amount of \$32,331.24;
2. Authorize an additional appropriation of \$2,400 from the Equipment Replacement Fund; and
3. Authorize Staff to issue the appropriate purchase documents as required.

Summary:

The purchase of a skid loader was approved as part of the FY 06-07 budget in the amount of \$30,000. Staff obtained a bid from Coastline Equipment, a John Deere distributor in Long Beach. Coastline Equipment Company has an established government contract with the State of California (see attached), City policy allows the purchase of equipment from a sole source vendor under these conditions. This is considered a "piggyback" purchase and is standard within the industry. Utilizing this method for the purchase of the equipment will afford the City a discount of over \$10,000. However, an additional appropriation of \$2,400 is necessary to complete the purchase.

Fiscal Impact:

An additional appropriation of \$2,400 from the Equipment Replacement Fund is necessary to complete this purchase.

Respectfully submitted,

Richard D. Morgan, P.E.
