Honorable Mayor and Members of  
The Hermosa Beach City Council

Regular meeting of  
September 12, 2006

**FIRE STATION FRONT RENOVATION PROJECT – ADDITIONAL FUNDING**

**RECOMMENDATION**

Staff recommends that council:

1. Authorize the contract increase in the amount of \$5,100 to M3 Services, Inc.
2. Authorize an appropriation of funds in the amount of \$5,100 into account #180-8610-4201 from FY 05/06 to FY 06/07.

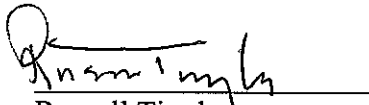

**BACKGROUND**

This project is currently underway and due to change orders to the original plans to meet the city's required scope of work, the awarded contract to M3 Services, Inc. in the amount of \$51,131.00 must be increased by no more than 10% to cover the additional estimated costs.

**FISCAL IMPACT**

There are sufficient funds remaining in account #180-8610-4201 to cover the additional costs for the completion of the fire station front renovation project. Total fiscal impact not to exceed \$5,100.00.
