**VACANCIES - BOARDS AND COMMISSIONS
UPCOMING EXPIRATION OF TERMS**

Recommendation:

It is recommended that the City Council direct the City Clerk to immediately advertise and request applications from interested parties for two Public Works Commission terms that will expire October 31, 2006, with appointments to be made at the regular Council meeting of October 24, 2006.

Background:

Two terms on the Public Works Commission will expire October 31, 2006. Following established procedure, this matter is being brought to the attention of Council at this time for direction with regard to advertising the upcoming term expiration. Traditionally, the Council has directed that all seats on all boards and commissions be advertised.

The seats are currently held by Robert Beste, who has served on the Commission since October 22, 2002 when he was appointed to a four-year term, and Victor Winnek, who was initially appointed on September 26, 2000 and then reappointed on October 22, 2002 to a four-year term. If interested in reapplying, both would be eligible for reappointment. Appointments will be for four-year terms ending October 31, 2010.

The vacancy will be advertised with an application-filing deadline of 6 p.m., Wednesday, October 4. I will report back at the meeting of October 10 on the number of submitted applications to enable the Council to schedule adequate time for interviews prior to the October 24 regular meeting.

Elaine Doerfling, City Clerk
