

November 8, 2006

Honorable Mayor and Members of
The Hermosa Beach City Council

Regular Meeting of
November 14, 2006

**CIP NOS. 05-110 and 04-112 CRACK SEAL/SLURRY SEALING OF AVIATION
BOULEVARD AND PROSPECT AVENUE - AWARD CONSTRUCTION CONTRACT**

Recommendation:

It is recommended that the City Council:

1. Authorize the award of construction contract for the CIP Nos. 05-110 and 04-112 Crack Seal/Slurry Sealing of Aviation Boulevard and Prospect Avenue to Pavement Coatings Company, of Cypress, California, in the amount of \$148,287.75;
2. Authorize the Mayor to execute and the City Clerk to attest the contract subject to approval of the City Attorney; and
3. Authorize the Director of Public Works to issue change orders as necessary within the approved budget.

Background:

On September 28, 2006, Public Works staff advertised for bids in accordance with public contract requirements. This project was advertised in the Easy Reader and the FW Dodge-Green Sheet. A total of nine bid packages were picked up or mailed out to prospective bidders. The City Clerk received three bids by the closing date of October 12, 2006. The bids were publicly opened and read aloud. The results were as follows:

<u>Company</u>	<u>Bid Amount</u>
1. Pavement Coatings Company	\$ 148,287.75
2. American Asphalt South, Inc.	\$ 157,356.50
3. Roy Allen Slurry Seal, Inc.	\$ 188,175.00

Analysis:

The work will include the crack sealing, slurry sealing, and replacement of traffic striping of both Aviation Boulevard and Prospect Avenue (See map attachment). Other work will include the grinding and asphalt capping (skin patch repair) of distressed pavement areas on Prospect Avenue. The skin patch repair will be done prior to the crack and slurry seal work.

Staff reviewed the low bidder's documents and found them to be in order. Reference calls were supportive of the contractor's work habits. In addition to the City of Hermosa Beach, Pavement Coating Company has performed slurry sealing projects for many local other municipalities including City of Newport Beach, City of Camarillo, and the City of Seal Beach.

The Department of Public Works, therefore, recommends award of this contract to Pavement Coatings Company in the amount of \$148,287.75.

Fiscal Impact:

FUNDING:
301 Capital Improvement Funds: \$182,972
TOTAL BUDGETED AMOUNT: \$182,972

EXPENDITURES:
Inspection Services: \$ 13,000
Construction Contract \$148,288
TOTAL COSTS: \$161,288

The total budgeted amount is greater than the total proposed construction costs of \$161,288; therefore, there are sufficient funds to accommodate the cost of construction.
