

February 5, 2007

Honorable Mayor and Members of  
The Hermosa Beach City Council

Regular Meeting of  
February 13, 2007

**AWARD CONTRACT FOR RESURFACING SIX (6) TENNIS COURTS AT THE HERMOSA  
BEACH COMMUNITY CENTER**

**Recommendation:**

It is recommended that the City Council:

1. Award the bid to re-surface six tennis courts at the Community Center to the lowest responsible bidder, TrueLine Surfacing of Corona, California, in the amount of \$13,100.00;
2. Authorize the appropriation of \$1,600.00 from the Parks/Recreation Facility Tax Fund; and
2. Authorize the Director of Public Works to make changes as necessary within the project budget.

**Background:**

Specifications were prepared and requests for bid notices were sent to six (6) interested and qualified companies. In addition, this project was advertised in the Easy Reader. On Thursday, January 4, 2007, the City Clerk received five bids. The bids were opened publicly and read aloud. The bid results are as follows:

<u>Firm Name</u>	<u>City</u>	<u>Bid Amounts</u>
1. TrueLine Surfacing	Corona	\$ 13,100.00
2. Taylor Tennis Courts	Anaheim	\$ 19,850.00
3. California Surfacing	Claremont	\$ 21,700.00
4. Central Valley Asphalt	Lindsay	\$ 26,700.00
5. Malibu Pacific Tennis Courts	Westlake Village	\$ 38,000.00

**Analysis:**

The Community Center tennis courts are in dire need of resurfacing and have not been resurfaced in the last seven to eight years.

Staff reviewed the low bidder's documents and found them to be in order. TrueLine resurfaced the Clark Field Tennis Courts in August 2005. Staff was very happy with their work and therefore recommends awarding this project.

In addition, the resurfacing of the Edith Rodaway Park Basketball Courts (CIP 04-534 Park Improvements) is scheduled for construction this fiscal year. The courts' pavement surface was

recently milled, crack sealed, and overlaid with new asphalt in preparation for the installation of new basketball courts.

In order to save time and expense, Staff recommends obtaining a cost estimate from TrueLine to re-surface the Edith Rodaway Basketball Courts and if acceptable issuing a change order to do the work. Funding for the extra work is available in CIP 04-534 Park Improvement's budget.

**Fiscal Impact:**

**FUNDING:**

Parks/Recreation Facility Tax Fund (125-6101-4201)	13,000.00
Total Project Budget	13,000.00
Proposed Construction Contract	13,100.00
Proposed Project Contingency	1,500.00
Total Costs	14,600.00

As indicated, an additional \$1,600.00 is needed to complete this project. Staff, therefore, requests the appropriation of \$1,600.00 from the 125 Parks Fund to cover this shortfall.

Respectfully submitted,
