AWARD PURCHASE OF SEWER JETTER

Recommendation:

It is recommended that the City Council:

1. Award purchase of one (1) new Bronco Sewer Jetter with trailer from Sreco Flexible, Inc. of El Segundo, in the amount of \$30,486.25;
2. Authorize addition of the Sewer Jetter to the Equipment Replacement Schedule;
3. Authorize appropriation of \$7,500 from the Sewer Fund; and
4. Authorize Staff to issue the appropriate purchase documents as required.

Summary:

The existing equipment is over twenty-five years old and in need of replacement. On October 19, 2006, the Notice Inviting Bids was published in the Easy Reader and for the purchase of a Sreco Bronco Sewer Jetter or Equal.

A total of five bids were faxed or mailed to prospective bidders and two bids were received.

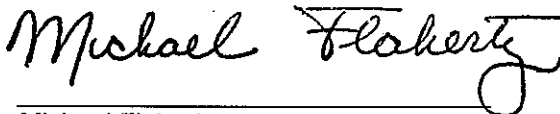

BIDDER	AMOUNT
Plumber's Depot, Inc.	\$37,850.70
Sreco - Flexible, Inc.	\$30,486.25

Fiscal Impact:

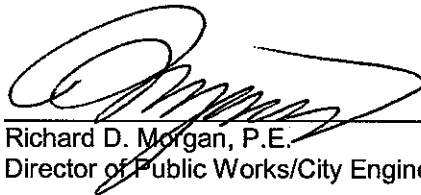

The purchase of a replacement sewer rodder is in the FY 06-07 budget in the amount of \$23,000.00. Staff believes the equipment should be added to the Equipment Replacement Schedule to allow funding for future replacement to be built up over the life of the new equipment. The \$7,500 is available in the Sewer Fund.
