

February 20, 2007

Honorable Mayor and Members of
The Hermosa Beach City Council

Regular Meeting of
February 27, 2007

RECOGNITION OF "CLEAN BAY RESTAURANT" ESTABLISHMENTS

Recommendation:

It is recommended that the City Council award *Clean Bay Restaurant* Certificates of Recognition to the establishments on the attached list (Attachment 2) for their good housekeeping practices which protect our beach and ocean water quality.

Summary:

In 1995, the City Council adopted the "Clean Ocean City" program to publicly recognize businesses, residents and students that enact practices that protect or enhance the environment. Under this program, in 2005, the Council approved the award of a "Clean Ocean City Establishment" certificate to six local restaurants that were inspected and determined to be in compliance with NPDES requirements.

This program received positive attention from our neighboring cities and was adopted by the Jurisdiction 5 & 6 Watershed Group in which our city participates with Manhattan Beach, Redondo Beach, and Torrance as an element of the Implementation Plan for improving water quality. This program later gained the active support of the Santa Monica Bay Restoration Commission which funded the printing of the official "Clean Bay Restaurant" decal (Attachment No. 1) to be placed in the window of the recognized restaurant. All of the cities, including Hermosa, have subsequently completed inspections of the majority of restaurants and those that received a score of 100% compliance based upon the Clean Bay Restaurant Certification Program's Stormwater BMP checklist were recommended for recognition. A total of 41 out of 107 restaurants within our city received a score of 100% compliance. See the Attachment No. 2 for the list of Hermosa's restaurants recommended for recognition.

In addition to the window decal, staff recommends that Council award the Certificate of Recognition as a Clean Bay Restaurant (see Attachment No. 3) to these establishments. These restaurant owners have been invited to attend this Council meeting to receive this recognition. In addition, a notice will be published in a local newspaper listing the establishments receiving this award. The goal of this program is to expand awareness of water quality issues and to generate public interest in doing business with recognized "Clean Bay Restaurants". This may prove to be the best way to motivate restaurants to implement good housekeeping practices to prevent discharge of pollutants.

City of Hermosa Beach 2007 Clean Bay Restaurant

CERTIFICATE OF RECOGNITION

«Facility_Name»

The Mayor and the City Council of the City of Hermosa Beach are proud to announce that «Facility_Name» has been certified as a Clean Bay Restaurant. On-site inspection has verified that «Facility_Name» employs Best Management Practices in its business operations and maintenance activities. By following these practices, «Facility_Name» demonstrates a commitment to prevent waste products and contaminated runoff from polluting our storm drain systems and beaches. This certification entitles «Facility_Name» to display the Clean Bay Restaurant Certificate in their establishment and in any published or printed materials promoting this business.

Sam Edgerton, Mayor

Elaine Doevfling, City Clerk
