

April 5, 2007

Honorable Mayor and Members of  
the Hermosa Beach City Council

Regular Meeting of  
April 10, 2007

**RESOLUTION IMPLEMENTING CHANGE IN  
EMPLOYEE PARKING PERMITS AND  
CONSTRUCTION PARKING PERMITS**

**Recommendation:**

That the City Council adopt the attached resolution which will implement the decision that was made at the February 13, 2007 meeting.

**Background:**

The City Council changed the Employee Parking Permit program by increasing the fee to \$132.00 per year, limiting the number of permits to 13 per business, and restricting the use of the contractor's permit from silver meters. The attached resolution implements the decision of the City Council. The new rate is effective on May 1, 2007.

In order to purchase an Employee Parking Permit, one of the following types of documentation is required: current paycheck stub, a business license or a letter from a business owner in the impacted area. A picture I.D and current registration in the name of the person requesting the permit is also required. For company or family vehicles that are not registered to the applicant, a letter from the registered owner, referencing the vehicle license number, and authorizing the applicant to use the vehicle is required. All outstanding parking violations must be paid prior to the purchase of any parking permit.

Respectfully submitted,

Stephen R. Burrell  
City Manager
