

**Purchase of Parking Enforcement Vehicle for the  
Community Services Division of the  
Police Department**

**Recommendation**

Staff recommends that Council:

Authorize the purchase/replacement of one (1) GO-4 Model Interceptor III parking enforcement vehicle.

Appropriate \$2,792 from the Equipment Replacement Fund.

**Background**

Community Services vehicles are part of the inventory in the Equipment Replacement Fund.

For the current 2006/2007 budget year, one GO-4 parking enforcement vehicle is scheduled for replacement. GO-4 vehicles are specially designed for parking enforcement application. The size and maneuverability of the GO-4 vehicle is particularly suited to many of the small streets and alleys in Hermosa Beach. It is recommended that Council authorize staff to purchase this vehicle from Municipal Maintenance Equipment in Sacramento, California. This is a sole source provider of GO-4 vehicles in California. The cost for this vehicle is \$28,437.28, including sales tax and delivery.

**Fiscal Impact**

The funds required for the replacement of this vehicle have been appropriated in the Equipment Fund for the 2006/2007 fiscal year. The cost for this vehicle is \$28,437.28. The total amount allocated for the replacement of the GO-4 parking enforcement vehicle is \$25,646.00 (a difference of \$2,791.28). Appropriation of the \$2,792 will provide funds needed for the purchase.

Respectfully submitted,

Greg Savelli  
Chief of Police

Concur  
  
Stephen Burrell  
City Manager

Fiscal Impact,

  
Viki Copeland  
Finance Director
