Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
June 26, 2007

**EXTENSION OF AGREEMENT WITH PARKING CONCEPTS AS OPERATOR
OF NORTH PIER PARKING STRUCTURE AND PARKING LOT A**

Recommendation

It is recommended that the City Council approve the extension of the current agreement with Parking Concepts for the period from July 1, 2007 to June 30, 2009.

Background

The original contract with Parking Concepts, effective January 3, 2000, was approved by City Council on December 14, 1999, for a period of five years with an option to extend the contract for up to two additional periods of 24 months each. The first extension was approved by City Council for 24 months plus an additional six months in order that the contract expiration coincide with the ending of fiscal year 2007. The current recommendation, to which Parking Concepts has agreed, is to extend the contract for the second 24 month period. The extension should have been included with the contracts that were approved with the 2007-08 Budget adoption, but was inadvertently overlooked.

Analysis

In 1999 the City's recommendation to award the contract to Parking Concepts was made subsequent to an RFP wherein five proposals were reviewed and Parking Concepts was considered the most qualified firm to provide parking operation services for the City. Staff has been very satisfied with the performance of Parking Concepts over the past seven years and is therefore recommending the extension.

Respectfully submitted,
