Honorable Mayor and Members of
The Hermosa Beach City Council

Regular meeting of
August 14, 2007

PURCHASE OF TWO DETECTIVE VEHICLES FOR THE POLICE DEPARTMENT

RECOMMENDATION

Staff recommends that Council authorize the purchase of two (2) unmarked detective vehicles from Wondries Fleet Group; one (1) 2008 Ford Explorer at a total cost of \$23,679.78 and one (1) 2007 Ford Crown Victoria at a total cost of \$24,052.16.

BACKGROUND

Police Department vehicles are part of the inventory in the Equipment Replacement Fund. For fiscal year 2007-08, two detective vehicles are scheduled for replacement; the Ford F150 pickup and a Ford Crown Victoria.

ANALYSIS

It is recommended that the City Council authorize staff to purchase the 2008 Ford Explorer and 2007 Crown Victoria from Wondries Fleet Group in Alhambra, California as part the purchasing contract with the county of Los Angeles Bid No. 31104719 and No. 31103045, respectively. Per Wondries Fleet Group, the total cost for the Ford Explorer is \$23,679.78, and the total cost for the Crown Victoria is \$24,052.16, including applicable taxes. City rules allow the purchase of equipment from this vendor under the Cooperative Purchase Agreement, thus allowing for a more favorable purchase price than if purchased via a separate contract.

A total of \$53,538 is budgeted for the replacement of the Ford F150 and Crown Victoria. Each vehicle will cost approximately \$2,394.89 to properly equip for detective duty. Therefore, the total cost for the two new vehicles will be approximately \$52,521.72

FISCAL IMPACT

Funds for the replacement of the Ford F150 and Crown Victoria are available in the Equipment Replacement Fund for fiscal year 2007-08.

Respectfully submitted,

Greg Savelli
Chief of Police
