Honorable Mayor and Members of
the Hermosa Beach City Council

Regular Meeting of
September 11, 2007

**CONSOLIDATED DISPOSAL SERVICE: NOTICE OF 2.93% RATE INCREASE
EFFECTIVE JANUARY 1, 2008**

Recommendation:

That the City Council receive and file this notice of the 2.93% rate increase for solid waste and recycling to residential and commercial accounts effective January 1, 2008 as set forth in the contract with Consolidated Disposal Service (CDS).

Background:

The contract between the City and CDS provides for annual adjustments of 3% or the percentage change in the Consumer Price Index (CPI) for the most recent 12 month period for which data is available, whichever is less. The change in the CPI for the period June 2006 – June 2007 is 2.93% (a copy of the CPI from the Bureau of Labor Statistics is attached). CDS has submitted a request for a 2.93% adjustment in accordance with the contract (a copy of the applicable contract section is attached).

Analysis:

This adjustment will result in a 30¢ increase in the cost for each residential customer. Commercial rates will also increase at the same rate of 2.93%. Monthly rates would be as follows:

TYPE OF SERVICE	PRESENT RATES	2.93% INCREASE	PROPOSED NEW RATES BEFORE AB939 FEE	AB939 FEE	NEW RATE
RESIDENTIAL SOLID WASTE & RECYCLING	\$10.37	\$.30	\$10.67	\$.25	\$10.92
COMMERCIAL 3 YARD/1 X WK	\$81.00	\$2.37	\$83.37	\$3.25	\$86.62

For comparison purposes, the rates for our neighboring cities are provided below:

	REDONDO BEACH EFFECTIVE 7/1/07	MANHATTAN BEACH EFFECTIVE 7/1/07	TORRANCE EFFECTIVE 7/1/07	PROPOSED HERMOSA BEACH
RESIDENTIAL PER MONTH	\$12.67	\$13.25	\$21.41	\$10.92

As you can see, even with the adjustment, the City's rate is very good.

As you may recall, the seven year agreement with CDS began in 2001. They were not permitted to increase rates for the first 15 months of the contract, they chose not to request an increase for the 2003 calendar year, received a 3% increase in 2004; in 2005, they missed the deadline date specified in the contract for submission of their request for a CPI increase; and, in 2006 they received their annual maximum increase of 3%.

Respectfully submitted,

Stephen R. Burrell

6.2 ANNUAL ADJUSTMENT OF RATES

Subject to the terms herein, Collector may request one Rate adjustment annually. The request and supporting data for each annual adjustment of Rates shall be submitted to the City Manager by Collector on or before September 1 of each year. Each adjustment is to be approved or disapproved by the City Manager by October 1 of each year; and if approved, effective on each subsequent January 1.

6.3 ANNUAL ADJUSTMENT OF RATES PURSUANT TO CPI

6.3.1 The City Manager shall approve an annual Rate adjustment where such adjustment would result in no more than a three (3) percent rate increase for any given service level, or the percentage change in the CPI for the most recent 12 month period for which data is available, whichever is less. Each adjustment is to be based on data for the previous twelve (12) month period. The first adjustment of Rates pursuant to this Section 6.3 shall not be effective until January 1, 2004.

6.3.2 If the CPI is discontinued or revised during the Term by the United States Department of Labor, such other government index or computation with which it is replaced shall be used in order to obtain substantially the same result as would be obtained if the CPI had not been discontinued or revised.
