

**Brainstorm of priorities for EPAC mtg.
Aug. 6, 2007
Tracy Hopkins**

1. Start with smaller plans.
2. Gather information on successes from other communities.

Rancho Palos Verdes, Rancho Mirage and Arcadia
3. Make a plan to provide outreach, training and exercises. We can rely on regional resources for much of this.
4. Build relationships and network with other players in the community.
