Little League Batting Cage Enhancement

Recommendation

Staff recommends that the Commission approve the request from Hermosa Beach Little League to renovate and expand the batting cages in Clark Field and forward to the City Council for its review and approval at the February 11, 2003 City Council meeting.

Background

The Hermosa Beach Little League has secured a donation of all materials and labor to accomplish this project. Staff has met with the Little League representative on site and also recommends approval of the project. A drawing of the expanded area is attached.

Analysis

Renovation of the batting cages for the 2003 season will help to improve and assist in scheduling team practice space by allowing one practice a week to be assigned to each team for batting practice.

Fiscal Impact: None
