<p style="text-align: center;">Hermosa Beach Little League Snack Stand Rebuilding Project</p>
--

Recommendation

Staff recommends that Commission approve the request from Hermosa Beach Little League (HBLL) to tear down and rebuild the Snack Stand, contingent upon plan approval by the Community Development Department and construction schedule approval by the Public Works Department.

Background

The Department of Community Resources received an application for demolition and reconstruction of the Snack Stand at Clark Field. Morri Mohr, HBLL President and the HBLL Board of Directors submitted the letter of request.

Projected timeline for the project is November, 2005 through February, 2006 to open in time for the 2006 Little League season beginning in March, 2006. Restroom facilities will remain functional during construction and field use will not be impacted.

HBLL will fund the entire project by utilizing league monies combined with donated labor and materials. A listing of subcontractors is provided within the letter of request.
