Resources Advisory Commission

Regular Meeting of

**Hermosa Beach Museum
Facility Use Policy**

Recommendation

Staff recommends that Commission nominate two Commissioners to assist staff and Historical Society with development of a Facility Use Policy for the newly renovated museum.

Background

At the February 27, 2007 Council meeting, Councilman Tucker pulled the Parks and Recreation Commission meeting minutes of February 6, 2007 from the Consent Calendar. Commissioner Cannella's Historical Society report mentioned the newly refurbished museum would be used for private functions. Council directed the Commission to develop a facility use policy in keeping with City protocol to protect the museum and its contents.

Respectfully submitted,

Lisa Lynn
Community Resources Director
